**Welcome,**

On behalf of The Hughenden Town and Country Club Inc. it gives me great pleasure in welcoming you to the Hughenden Rugby Sevens Competition.

It is an exciting time for the growth of Rugby in North Queensland with Sevens Rugby Competitions increasing in popularity. I would like to congratulate and thank the Coaches, Managers, Players and Volunteers for their support of this weekend and wish the players the very best of luck.

Each year, a donation from the Hughenden Rugby 7s competition is made to a charity or to support community sporting projects.

I would like to thank our Sponsors, both large and small for their support of the Hughenden Rugby Sevens. Without the support of all our sponsors, rugby events like this are not possible.

I encourage you to join our Facebook page 'Hughenden Rugby 7s' to keep up to date with competition news and to see all the photos and footage of the carnival.

Thank you,

**Lindsay Brown**

## TEAM RESPONSIBILITIES & BEHAVIOUR

It is the responsibility of Team Management and the players themselves to abide by the code of conduct of the ARU. We ask that the players, coaches and supporters work hard to ensure that the behaviour of their teams is exceptional. Please note the following,

- The Flinders Sports Ground is a non-smoking venue.

- All music is centrally controlled by the Hughenden Rugby 7s committee. Teams playing their own personal music in tents are requested to keep noise levels low so as not to disrupt other carnival patrons. Teams will be asked to turn music down/off by committee management if rules are not adhered to.
- Players are required to provide their own protective clothing/ equipment for the carnival.
- Teams that fail to be ready to take the field when their game is called will forfeit that game and lose one (1) point.

## **WARM UP AREA**

The warm up area will be **on the northern side** of the field. Warm up areas will be available around the field and allowed in the dead ball areas of the field, but this should be reserved for the immediate teams participating in the next match.

## **FIRST AID**

Queensland Ambulance will be in attendance throughout the carnival. Please assist the medical staff by allowing any priority cases to be treated first.

## COMPETITION RULES

These competition rules are unique to the Hughenden 7s carnival and do not contain 7 a side variation laws. For a more accurate account of 7 a side Rugby laws please refer to the IRB laws on their website ([www.irblaws.com](http://www.irblaws.com)).

**Teams:** Teams are permitted to have 12 players in total. They must keep the same players for the whole competition.

**Injury Time:** Injury time will only be played in the playoff, quarter finals, semi-finals and grand-finals. Time may run ahead of schedule to accommodate this.

**Extra Time:** Extra Time will be played in only the Quarter Finals, Semi Finals and Cup and Bowl Grand Finals (NOT pool games or Playoff games i.e. 3/4th, 5/6th, 7/8th). If a playoff game is drawn, then both teams will share the ranking i.e. Teams playing off for 7/8 will tie for 7th. Extra Time will be 5 minutes each way with no break in the middle only a change of ends. Teams are permitted 3 subs during the entirety of extra time.

**Red Cards:** If a player receives a Red Card the player is immediately suspended from the remainder of that match and is subject to punishment by the judiciary held within one hour of the card being given. The judiciary will be decided by the tournament organisers.

**Game Times:** Coaches, Managers and players are solely responsible for being ready to play 5 minutes before the conclusion of the game prior to theirs. If a team is more than 5 minutes late to a fixture they will forfeit the match.

**NOTE:** A hooter will sound to indicate the start and end of each match. Please be aware that matches may start earlier than planned, please take note of how far along the game prior to your game is to ensure we run on time.

**Gear:** Managers/Coaches are required to provide appropriately numbered jerseys to their players. These jersey numbers must be recorded on the Team Registration Form submitted and must match up to the players in the jerseys. It is the teams/managements responsibility to ensure that players wear the same Jersey for entirety of the carnival.

**Results:** Teams are encouraged to keep a tally of the game score for their own records. A team official will be required at the Marshalling tent to sign the match results sheet at the conclusion of each game.

### **POINTS SYSTEM (*Pool Stages Only*)**

WIN	4 POINTS
DRAW	2 POINTS EACH TEAM

***NOTE: If teams finish on the same ladder points after pool or round robin games, it will come down to whichever team has the better for and against, if the teams have the same for and against it will be decided by who the winner was when the teams met. If the teams then drew in that match the team captains will play scissors, paper, rock - best of 3 to decide who progresses.***
